A promotional poster for a drama production. The background is a light blue, snowy scene with a castle on the left and a lit street lamp on the right. The title "THE LION, THE WITCH AND THE WARDROBE" is written in a large, black, stylized font. Below the title, the dates and times are listed, followed by the location and ticket prices. A small silhouette of a lion is visible in the bottom right corner of the poster.

Please take a few moments to read this very important letter from Stephanie Bemish, Director of Pupil Personnel Services for the HFL School District:

Dear Parents:

To all parents of students entering grades PreK or K, 1, 3, 5, 7, 9, and 11 in September 2018, there has been a change in the New York State Education Department physical exam requirements.

The New York State Education Department requires physical examinations by a physician, nurse practitioner or physician's assistant for students in certain grades. Beginning in September 2018 those grades are changing to grades PreK or K, 1, 3, 5, 7, 9, and 11.

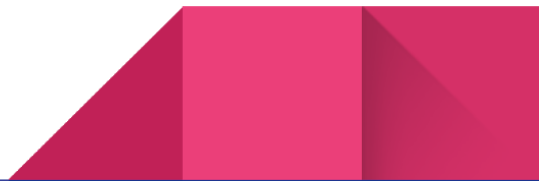

This means there will be some students who will require exams two years in a row if they had a physical required this year. This is not being imposed on you by the district. It is a new mandate by the State Education Department, and the district must follow the new regulations.

When you see your physician or other health care provider for a routine annual physical exam this year, please ask for a health certificate to give your current school nurse. This is a good time also to schedule a full dental screening for your student and to bring that dental certificate in as well. It can take weeks to schedule a physical exam. Please plan ahead.

All physical examinations are valid for 12 months prior to the start of school or a sport season. Exams are good through the last day of the month in which they were conducted. **Certificates must be hand-delivered, mailed, or faxed to the school nurse on or before September 30, 2018.** Delays may result in your student's inability to be assigned physical education classes, which could affect their final grade, participation in extracurricular activities, including recess or playground, and other club, intramural, or interscholastic activities.

Thank you for your prompt attention to and cooperation with this important matter.
Sincerely,

Stephanie Bemish, Director

*****Prayer Request*****

As you may have heard, one of our LCS families, the Durkees, had their apartment destroyed by a fire this week. We are thanking God that the family and the other tenants in the building are safe. Many friends have rallied to help the family and we would like to serve the family as they work to get back on their feet.

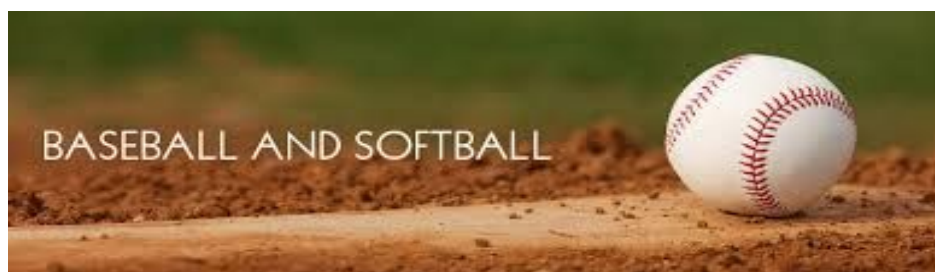

At this time they need everything. Many friends of the family are going through clothes for the 4 children (sizes boys - 2t/3t, girls - 10/12, 6x and 4t/5t). Parents clothing sizes: men's medium and women's 22/24. Donations are also being collected at the school right inside the main doors.

A Go Fund Me page has been set up for them at

<https://www.gofundme.com/ashley-amp-dan-house-fire>. Our March 7 Casual for a Cause will also be used to help the family.

We ask that you pray for this family as the emotional strain is considerable. If you are able to help support the family, LCS would like you to consider giving gift cards to be used to purchase the things that they are going to need.

If you are able to help out or have questions, please contact Theresa Dils -- (thedils1@gmail.com). Thank you
