Please keep the school in prayer as we pursue accreditation with the Association of Christian Schools International. ACSI is a well-known organization that exists to strengthen Christian schools and equip Christian educators worldwide as they prepare students academically and inspire them to become devoted followers of Jesus Christ. This process is providing a great opportunity for self-reflection, improvement, credibility, and accountability. Teachers have been working very hard on this, and we know the positive results and advantages to being an accredited school will be well worth it! There will be a visiting committee from ACSI here beginning this Sunday, April 15 through Wednesday, April 18 to determine if we meet all of the standards and benchmarks to become accredited. Thanks for your prayers as we go through this process - it's a very exciting time in the life of our school!
